24 January 2011

CATA Circular No: 4 of 2011

To All Members

Subject: NEW CATA MEMBERS

I kindly ask all members to join me in congratulating the Republic of Seychelles, represented by the Seychelles Revenue Commission and the Republic of Rwanda, represented by the Rwanda Revenue Authority as our newest members.

As you are aware, both countries have been participating in our events as special guests. Their desire to become members has once again displayed that CATA remains relevant to its members needs. We trust that their participation in CATA will not only enhance our activities but will also bring new ideas and energy that will enhance the growth of our activities.

I would like to take this opportunity to wish the Commissioners of the Revenue administrations and their staff all the best and to invite them to take full advantage of our activities.

Tutu Pitso Bakwena
Executive Director
